Port Augusta Aquatic Centre

At its meeting held on 09 June 2026, Council resolved to undertake a public consultation and community engagement process on the proposal to include the Port Augusta Aquatic Centre site, CT 5946/26, in the Parks Community Land Management Plan and remove it from the Business and Community Groups Community Land Management Plan.

- ☐ **Yes** – I agree with the proposal to move the Port Augusta Aquatic Centre to the Parks Community Land Management Plan
- ☐ **No** – I disagree with the proposed change and believe the Port Augusta Aquatic Centre remains in the Business and Community Groups Community Land Management Plan
