

APPLICATION TO KEEP ADDITIONAL DOGS/CATS

Please return completed form to the Customer Service Area, Civic Centre, 4 Mackay Street

PRIOR TO ACQUIRING YOUR ADDITIONAL PET YOU MUST SUBMIT THIS APPLICATION FORM TO THE PORT AUGUSTA CITY COUNCIL FOR APPROVAL TO KEEP ADDITIONAL DOGS OR CATS TO THE NUMBERS PERMITTED IN COUNCIL'S BY-LAWS

The Port Augusta City Council is keen to encourage responsible pet ownership, and has developed an Animal Management Plan, Policies and By-laws relating to pets within our Community. These documents aim to establish appropriate management guidelines to create an environment which encourages responsible pet ownership, where people and pets integrate safely and harmoniously within the Port Augusta community, while also recognising the differing needs of none pet owners.

The Dog By-law permits that the limit on the number of dogs shall be :-

- in a small dwelling, one (1) dog; and
- in premises other than a small dwelling, two (2) dogs.

The **definition** of a small dwelling means a flat, a service flat, home unit, or a suite of rooms which is wholly occupied, or designed or intended or adapted to be occupied, as a separate dwelling, but does not include a detached, semi-detached or row dwelling house.

Under By-Law #8 – Cats *For the control and management of cats* - Law permits that the limit on the number of cats per premise shall be two (2). Also, all cats kept on the premises (over the age of 5 months) are to be desexed and identified by a microchip.

APPROVALS GIVEN WILL BE REVOKED SHOULD YOUR ANIMALS PROVE TO BE A NUISANCE AS OUTLINED IN THE DOG & CAT MANAGEMENT ACT 1995
