Land being predominantly used for service delivery or administration (or both) by a community services organization. A “community services organization” is defined in the Act as a body that:

- Is incorporated on a not for profit basis for the benefit of the public; and
- Provides community services without charge or for a charge that is below the cost to the body of providing the services; and
- Does not restrict its services to persons who are members of the body.

**It is necessary for a community service organisation to satisfy all of the above criteria to be entitled to the mandatory 75% rebate.**

The Act further provides that eligibility for a rebate by a community services organisation is subject to it providing one or more of the following community services -

- Emergency accommodation;
- Food or clothing for disadvantaged persons (ie persons who are disadvantaged by reason of poverty, illness, frailty, or mental, intellectual or physical disability);
- Supported accommodation (ie residential care facilities in receipt of Commonwealth funding or accommodation for persons with mental health, intellectual, physical or other difficulties who require support in order to live an independent life);
- Essential services, or employment support, for persons with mental health disabilities, or with intellectual or physical disabilities;

- Land occupied by a non-government school registered under Part 5 of the Education Act 1972 and being used for educational purposes; or

- Land being used by a University or University College to provide accommodation and other forms of support for students on a not for profit basis.

3.1.5 Where a person or body is entitled to a rebate of 75% the Council may, pursuant to Section 159(4) of the Act, increase the rebate up to a further 25%. The Council may grant the further 25% rebate upon application or on its own initiative. In either case the Council will take into account those matters set out at clause 3.2 of this Policy

## 3.2 Discretionary Rebates

3.2.1 The Council may in its absolute discretion grant a rebate of rate or service charges in any of the following cases pursuant to Section 166 of the Act -

- where the rebate relates to common property or land vested in a community corporation under the Community Titles Act 1996 over which the public has a free and unrestricted right of access and enjoyment;

- where the rebate is considered by council to be appropriate to provide relief in order to avoid what would otherwise constitute a liability to pay a rate or charge that is inconsistent with the liabilities that were anticipated by the council in its annual business plan or a liability that is unfair or unreasonable;

- n) where the rebate is to give effect to a review of a decision of the council under Chapter 13 part 2 (section 270 and 271);
  - o) where the rebate is contemplated under another provision of the Local Government Act 1999.
- 3.2.2 The Council may grant a rebate of rates up to and including 100% of the relevant rates or service charges.
