

Rate Rebates 2019/2020

The *Local Government Act 1999* provides for two categories of rate rebates – mandatory & discretionary.

Mandatory Rebate provisions require that Council must provide a rate rebate on land that is used for specific purposes and these provisions also specify the rebate percentage.

Discretionary Rebates may be granted by a Council for purposes that are specified in the Local Government Act, with the percentage of the rebate being at the discretion of the Council.
