

# WATER TRAFFIC RESTRICTIONS SPENCER GULF – PORT AUGUSTA

Saturday 6 October to Thursday 13 December 2018

Notice is given that pursuant to Section 26 of the Harbors and Navigation Act 1993, the Department of Planning, Transport, & Infrastructure (DPTI) has granted an Aquatic Activity Licence to ElectraNet Pty Ltd to carry out power line works on an area of water as follows:

for the full width of the Upper Spencer Gulf in the vicinity of the old Port Augusta Power Station, from Beacon 36 to Beacon 26.

For safety reasons, vessel traffic will be managed by ElectraNet and vessels must not operate within the licensed area without approval.

Vessels requiring transit through the area must approach the duty vessel or call on VHF radio channel 16 for instructions. Information may also be gained by calling 1800 413 331.

Traffic restrictions will endure from Saturday 6 October to Thursday 24 December between the hours of Sunrise and Sunset on the days listed below.

#### TRAFFIC RESTRICTION DATES

6 to 10 October inclusive	27 October
15 to 18 October inclusive	16 to 18 October inclusive
21 October	28 November to 3 December inclusive
25 October	13 December
